Start with Syncro Connect. Add what you need.

Syncro Connect is web-based time and attendance. Every Connect module plugs into it and works from the same staff records, so nothing is entered twice.

1 The core every account starts here

Syncro Connect software — £2 per employee / month

Clock in at a terminal, in a web browser or on the app. See who is in right now, with timesheets built from clockings against your shift, break, rounding and overtime rules. Multi-site, with reports sent by scheduled email.

Syncro Connect app — £3 per employee / month in total

Staff clock in on their own iOS or Android phone, with GPS recorded at each clocking. Works offline and syncs later. Holiday requests and balances, timesheets, sickness reporting and travel, with push notifications for managers.

2 Your people absence, HR and flexible working

Leave Connect — Included

Holiday, sickness and return to work forms. Bradford Factor scores, fit notes uploaded in the app, and alerts for unauthorised absence.

HR Connect — +£1 / month

Employee records, contracts, right to work documents and appraisals, alongside clocking and absence.

Syncro Flexi — Included

Flexitime balances worked out from real clockings. Staff see their balance and request flexi leave in the app.

Syncro Kiosk — In the app plan

A shared tablet for staff without a smartphone. Clock number and PIN. You supply the tablet.

3 Payroll exports included with the software

Approve the hours, export the file and import it into your payroll. Layouts are set up and tested for:

Sage · Xero · QuickBooks · BrightPay · IRIS · ADP · Pegasus

All prices exclude VAT. Per employee prices are per month, billed annually; monthly billing is available.

4 Your site

flat yearly fee, whatever your headcount

Fire Connect — £395 a year

A live roll call on marshals' phones. Everyone who clocked in, signed in or badged through a door is on the list. Several marshals can work the same list at once, and every roll call is recorded.

Visitor Connect — £495 a year

Visitors sign in by QR code or at a tablet, their host is notified and a badge prints once a label printer is paired. Keeps signing people in without a connection. You supply the tablet.

Access Connect — £395 a year + hardware, quoted

Doors opened by card, fob, PIN or biometric, installed by our engineers. A leave date removes door and clocking access together. Works with your gates, turnstiles and barriers.

Clocking terminals

Facial recognition, palm and card from **£395**, fingerprint from **£495**, one-off. Configured in Leeds and delivered ready to plug in. Not needed if everyone uses the app.

Edu Connect

Staff attendance, visitor sign-in and fire roll call for schools and trusts, syncing with Arbor and Wonde. See edu-connect.co.uk.

Realtime

Our installed system, on your own server or our UK hosting. For job costing, direct Sage Payroll integration or rotas today. Quoted per installation.
