Syncro Kiosk

Employee self-service on a shared tablet, part of Syncro Connect

FOR STAFF WHO DO NOT CARRY A PHONE AT WORK

Self-service on a tablet everyone can use.

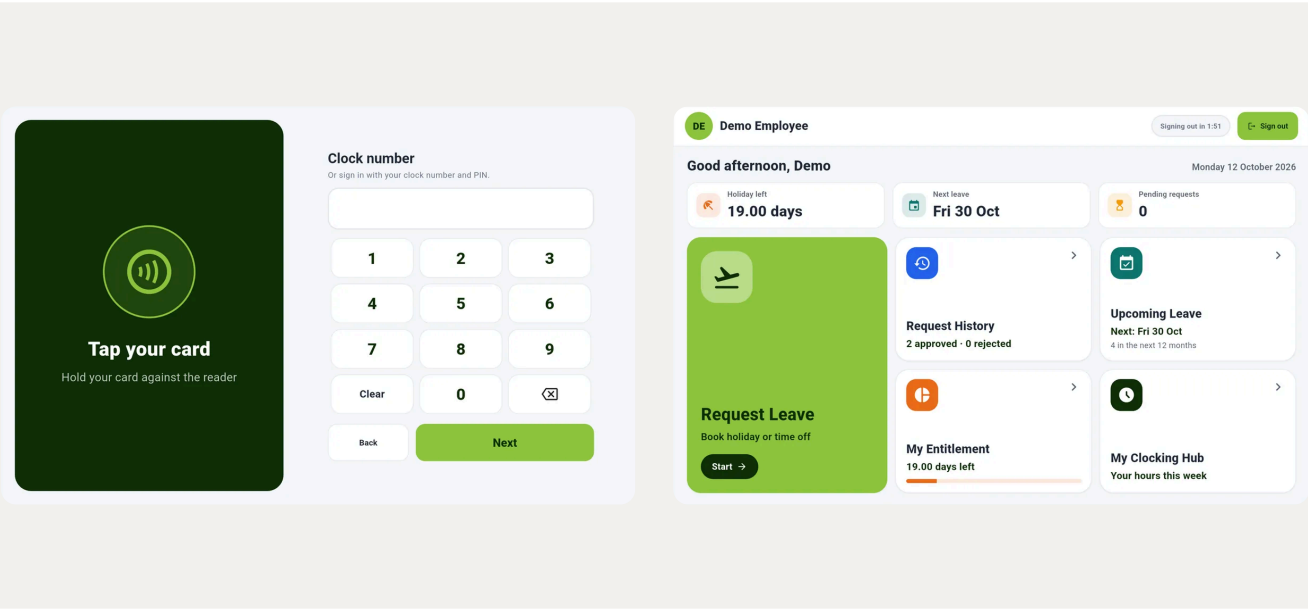

Syncro Kiosk puts Syncro Connect self-service on a shared tablet in the canteen, staff room or by the clocking terminal. Staff sign in with their clock number and PIN, book holiday, check their entitlement and see their hours, then are signed out automatically.

- ✓ Sign in with the same clock number and PIN, or a staff card
- ✓ Request leave with the live balance on screen
- ✓ Check holiday entitlement, hours and flexi balance
- ✓ See upcoming leave, and who else is off where you allow it
- ✓ Signs itself out, with nothing left on the tablet

£3

per employee per month in total

Included with the Syncro Connect app plan: £2 software plus £1 app. You supply the tablet.

What staff can do at the kiosk

LEAVE

Request time off

Full or half days with a note, sent to their manager to approve.

BALANCE

See what is left

Allowance, booked and remaining for the leave year, live.

HOURS

Check their hours

Their own clockings week by week, so a missed one is spotted before payroll.

FLEXI

Flexi balance

If you run flexitime, whether they are up or down.

HISTORY

Request history

Approved and rejected requests, and cancel where your rules allow.

PLANNER

Upcoming leave

Their bookings for the next twelve months, and team leave where allowed.

All prices are per employee per month, exclude VAT and are billed annually.

Syncro Kiosk

computimeuk.com · 0113 350 9043

Built for a shared device

the next person never sees the last one's details

Signs itself out

After a set time without use, between 30 seconds and three minutes, with a countdown and a sign-out button.

Nothing left behind

Once someone signs out, nothing about them stays on the tablet. Their record lives in Syncro Connect.

Their own record only

Each person sees their own leave, hours and balances. Team views appear only where you allow them.

Nothing new to remember

- ✓ No email address, password or download
- ✓ The same clock number and PIN as the terminal
- ✓ Optional card sign-in with a USB card reader
- ✓ What each person can do follows their app settings, so nothing is set up twice

What you need

- ✓ Your own Android tablet on Android 7 or later, or an iPad on iPadOS 15 or later
- ✓ Used in landscape, somewhere staff pass every day
- ✓ Reliable wifi, as the kiosk does not work offline

Kiosk or app?

most sites end up with both

	Syncro Kiosk	Syncro Connect app
Device	One shared tablet	Each person's own phone
Clocking in	No, staff clock at a terminal	Yes, with GPS at each clocking
Leave and balances	Yes	Yes
Hours and flexi	Yes	Yes
Cost	In the £3 app plan	In the £3 app plan

Worth knowing before you buy. Syncro Kiosk is for self-service only, so staff still clock in at a terminal or on the app. Rotas are coming to Syncro Connect and will appear once they arrive.
